

# SHE IS BLIND FOR A REASON

PAID BY AMANDA P. WALL, NON-PARTISAN CANDIDATE FOR CIRCUIT JUDGE, GROUP 4

**W**hat does it mean for justice to be "blind"? I believe a judge must follow the law and be fair to everyone who comes before the court no matter their race, gender, religion, or political beliefs. Our country is built on the people's trust in a nonpolitical and independent judiciary.

I have the proven ability and experience after presiding over cases as a Magistrate for six years and as an attorney for decades. I am committed to this community that I love and where my husband and I have raised our four children. You can trust in my experience, and you can depend on my commitment to justice and fairness.
